PROFESSIONAL SUMMARY

Motivated BICT undergraduate at the University of Colombo with a strong interest in Networking and IT Infrastructure. Hands-on experience with Cisco Packet Tracer, VLANs, DHCP, routing, switching, and enterprise network design through academic and personal projects. Familiar with Linux, cloud infrastructure concepts, and basic AWS architecture. Seeking a Networking or IT Infrastructure internship to develop practical skills in enterprise networking, network administration, and infrastructure support.

EDUCATION

University of Colombo – Faculty of Technology <i>Bachelor of Information and Communication Technology (Hons)</i> • <i>Key Coursework: Network Engineering & Architecture, Software Process Engineering, Advanced Database Management Systems, Mobile Application Development, Object-Oriented Programming</i>	2023 – Present Colombo, Sri Lanka
A/Mihinthala Maha Vidyalaya, Anudhapura <i>G.C.E. Advanced Level – Technology Stream</i> Results: Engineering Technology (B), Science for Technology (A), Information & Communication Technology (B). Z-Score: 2.1958 Island Rank: 253	2020 – 2022 Sri Lanka

TECHNICAL SKILLS

NETWORKING & INFRASTRUCTURE	Cisco Packet Tracer VLANs DHCP VTP Routing & Switching Enterprise Network Design TCP/IP & IP Addressing Basic Network Security
SYSTEMS & CLOUD	Linux AWS Cloud Architecture – Basic Git/GitHub System Monitoring
DATABASES & STORAGE	MySQL MongoDB Firebase Cloud Firestore
PROGRAMMING	Python Java C JavaScript PHP SQL
SOFT SKILL	Problem Solving Troubleshooting Teamwork Technical Communication Adaptability
LANGUAGE	English (Professional Working Proficiency) Sinhala (Native / Bilingual)

SELECTED PROJECTS

Enterprise & Banking Network Simulation	Networking & Security Project
--	--

Cisco Packet Tracer | VLAN | DHCP | VTP | Routing & Switching

- Designed and simulated multi-tier enterprise and banking network topologies using Cisco Packet Tracer.
- Configured VLANs, trunk links, DHCP, routing, and switching for segmented network environments.
- Implemented separate network segments for departments and services to improve network organization and security.
- Troubleshot connectivity, VLAN, routing, and inter-network communication issues during simulation

[GitHub Repository](#)

Real-time Service Monitor Tool

DevOps & Cloud Monitoring

Node.js, JavaScript, Real-time APIs

- Developed a monitoring utility tool to track system performance, server statuses, and real-time service availability metrics..
- [GitHub Repository](#)

E-Donor (Blood Donation Platform)

Full Stack Web Application

React, Node.js, Express.js, Firebase

- Built a community-driven blood donation management system connecting donors with recipients, featuring user registration, blood request tracking, and administrative dashboard panels.
- [GitHub Repository](#)

TaskMate – Task Management App

Mobile Application & UI/UX Design

Java, Firebase, Material Design 3, Figma

- Developed a task management mobile application with a personalized interface and Firebase-based synchronization; designed the UI/UX in Figma using Material Design 3 principles.
- [GitHub Repository](#) — [Figma Design](#)

CERTIFICATIONS

-
- Introduction to Cybersecurity – Cisco Networking Academy (Issued: Oct 2026) [Certificate](#)
 - AWS Cloud Architecture - Foundational Cloud Infrastructure Principles- [Certificate](#)
 - Cisco Networking Fundamentals – Routing, Switching & Network Configuration [Certificate](#)
 - **Linux Unhatched** – Cisco Networking Academy in collaboration with NDG [Certificate](#)
 - API Redmail Integration Certificate - Secure Mailing & Communication Protocols [Certificate](#)
 - **Web Application Development Workshop** – Conducted by the Ministry of Education in collaboration with Webcomms Global (Pvt) Ltd. and LK Domain Registry (Contributed to the designing of the school website)

EXTRACURRICULAR ACTIVITIES & ACHIEVEMENTS

-
- Secured 1st place in the 100m freestyle(**Swimming**) event at the inter-faculty TechnoChampionship held on December 08, 2024, organized by the Techno Sports Club
 - Served as a Senior Prefect, successfully leading student discipline, coordinating school events, and demonstrating strong leadership and responsibility.
